

## METTEC 19"

Rack Mount Enclosures  
DIN 41494 | IEC 60297-3

# METTEC 19"

## 19" rack mount enclosures with removable front panel

Exclusive range of 19" rack cases in aluminium. Conforms to DIN 41494 and IEC 60297-3. Heights: 2U and 3U in three standard depths. Attractive diecast front bezel incorporating unique 'comfort-handles' and rack mounting ears. Robust case body assembly includes flat top and base panels, two side extrusions and the rear panel. Internal guide rails for PCBs and chassis plates. Front panel (accessory) recessed in bezel for locating keypads or labels. Order your own fully customised version.

## Standard colours

Light grey RAL 7035 (19" front bezel)  
Iridite NCP (enclosure)

## Order your own customised version

We can supply the METTEC 19" enclosures fully customised to your individual technical specifications.

External dimensions – width and depth – can be modified to ensure your PCB assemblies and equipment will fit exactly.

The enclosures and front panels can be machined with holes and cutouts for fitting displays, keypads, HMI touch panels, control buttons and connections.

Other services include adding inserts and screw bosses; custom colours and finishes; digital and silk-screen printing, and engraving.

Having a flexible manufacturing system allows us to offer competitive prices even for small quantities. Do not hesitate to ask us for a quotation.

Our sales team will be very happy to discuss your requirements and help you specify your METTEC 19" enclosures exactly as you need them.
